Extract(s) from the Staff Meeting Minutes of 28 February 1979:

Having been advised by [] of possible Congressional questions as a result of a recent Newsweek article alleging that a CIA task force had looked into the possibility that former Agency employee Angleton was a "mole," Stein said that C/CI Staff [] will brief the HPSCI and the SSCI on the procedures taken in response to an employee allegation about Angleton without going into the substance of the case. The Director said that he would like to be advised of the background on this matter. Waller said it was a complicated case stemming from an allegation of a former employee, and he would forward the entire package to the Director. Hetu mentioned that, in coordination with DDO, he responded to press queries last night on this matter in a general way. (Action: IG) (AIUO)
